LIST OF RENEWALS

1938

NEW SERIES, VOLUME 35

No. 10

UNITED STATES
GOVERNMENT PRINTING OFFICE
WASHINGTON : 1938

THE Catalog of Copyright Entries, Part 1, Group 1, containing the titles for books, was formerly printed three times a week. It is now printed monthly with entries arranged alphabetically by authors, or, if anonymous, by title. An asterisk (*) after the author's name indicates that the author and copyright proprietor are the same. When the author and copyright proprietor are different, a separate statement is made at the end of the title, giving the proprietor and his address. This group contains mainly the titles of books including the titles of books registered under the act of March 4, 1909, for ad interim protection. A complete index to all the authors, copyright proprietors, and anonymous titles of books for the entire year is printed as promptly as possible after the books for the year have been received.

Under the act of March 4, 1909, in effect from July 1, 1909, the preliminary entry of titles has been abrogated and registration follows deposit of copies with an application for entry in the Copyright Office.

A list of copyright renewals made for books under section 23 of the act of March 4, 1909, will be found at the end of this issue immediately following the text.

The Catalog of Copyright Entries, Part 1, Group 2 (monthly) contains mainly the titles of pamphlets, leaflets, and literary contributions to periodicals, and all other productions registered under the legal designation "book" not found in Group 1, including also, however, preliminary reports of court decisions, local directories, herdbooks, and other annuals, etc. Group 2 also contains in two separate alphabets the titles for the entries made for Lectures, sermons, and addresses prepared for oral delivery, and Maps.

The act of March 4, 1909, in effect from July 1, 1909, provides that the Catalog of Copyright Entries "shall be admitted in any court as prima facie evidence of the facts stated therein as regards any copyright registration". To save space in the Catalog the copyright notice after each title is abbreviated. The abbreviations used in this part are as follows: "A," Class A, Books; "A—Foreign," Foreign books in foreign languages. "©" stands for copyright registration, followed by date of publication, and "2 c." for 2 copies, or "1 c." for 1 copy, followed by date of receipt; "aff." stands for affidavit of American manufacture, followed by date of its receipt. "A ad int." implies ad interim copyright registration under the act of March 4, 1909, of a book published abroad in the English language, for which the deposit of only one copy is required.

The annual subscription price for the Catalog of Copyright Entries (received only for the calendar year) for Part 1, Group 1, is $3.00 for 1938, payable in advance to the Superintendent of Documents, Washington, D. C., by postal money order, express order, or New York draft.

Under the provisions of the act of Congress approved May 23, 1928, the prices of the various parts of the Catalog are now as follows:

Part 1, Group 1, Books proper	$3.00
Part 1, Group 2, Pamphlets, Contributions to Newspapers or Periodicals, Lectures and Maps	3.00
Part 1, Group 3, Dramatic Compositions and Motion Pictures	2.00
Part 2, Periodicals	2.00

LIST OF RENEWALS

1938

NEW SERIES, VOLUME 35

No. 11

UNITED STATES
GOVERNMENT PRINTING OFFICE
WASHINGTON : 1938

THE Catalog of Copyright Entries, Part 1, Group 1, containing the titles for books, was formerly printed three times a week. It is now printed monthly with entries arranged alphabetically by authors, or, if anonymous, by title. An asterisk (*) after the author's name indicates that the author and copyright proprietor are the same. When the author and copyright proprietor are different, a separate statement is made at the end of the title, giving the proprietor and his address. This group contains mainly the titles of books including the titles of books registered under the act of March 4, 1909, for ad interim protection. A complete index to all the authors, copyright proprietors, and anonymous titles of books for the entire year is printed as promptly as possible after the books for the year have been received.

Under the act of March 4, 1909, in effect from July 1, 1909, the preliminary entry of titles has been abrogated and registration follows deposit of copies with an application for entry in the Copyright Office.

A list of copyright renewals made for books under section 23 of the act of March 4, 1909, will be found at the end of this issue immediately following the text.

The Catalog of Copyright Entries, Part 1, Group 2 (monthly) contains mainly the titles of pamphlets, leaflets, and literary contributions to periodicals, and all other productions registered under the legal designation "book" not found in Group 1, including also, however, preliminary reports of court decisions, local directories, herdbooks, and other annuals, etc. Group 2 also contains in two separate alphabets the titles for the entries made for Lectures, sermons, and addresses prepared for oral delivery, and Maps.

The act of March 4, 1909, in effect from July 1, 1909, provides that the Catalog of Copyright Entries "shall be admitted in any court as prima facie evidence of the facts stated therein as regards any copyright registration". To save space in the Catalog the copyright notice after each title is abbreviated. The abbreviations used in this part are as follows: "A," Class A, Books; "A—Foreign," Foreign books in foreign languages. "©" stands for copyright registration, followed by date of publication, and "2 c." for 2 copies, or "1 c." for 1 copy, followed by date of receipt; "aff." stands for affidavit of American manufacture, followed by date of its receipt. "A ad int." implies ad interim copyright registration under the act of March 4, 1909, of a book published abroad in the English language, for which the deposit of only one copy is required.

The annual subscription price for the Catalog of Copyright Entries (received only for the calendar year) for Part 1, Group 1, is $3.00 for 1938, payable in advance to the Superintendent of Documents, Washington, D. C., by postal money order, express order, or New York draft.

Under the provisions of the act of Congress approved May 23, 1928, the prices of the various parts of the Catalog are now as follows:

Part 1, Group 1, Books proper	$3.00
Part 1, Group 2, Pamphlets, Contributions to Newspapers or Periodicals, Lectures and Maps	3.00
Part 1, Group 3, Dramatic Compositions and Motion Pictures	2.00
Part 2, Periodicals	2.00
Part 3, Musical Compositions	3.00
Part 4, Works of Art, Photographs, Prints, and Pictorial Illustrations	2.00
Single numbers	.50
Annual indexes, each, for complete calendar year	2.00
All parts for complete calendar year	10.00

PUBLISHED BY AUTHORITY OF THE ACTS OF CONGRESS OF MARCH 3, 1891
OF JUNE 30, 1906, AND OF MARCH 4, 1909

PART 1, BOOKS
GROUP 1

INCLUDING
LIST OF RENEWALS

1938
NEW SERIES, VOLUME 35
No. 12

UNITED STATES
GOVERNMENT PRINTING OFFICE
WASHINGTON: 1939

THE Catalog of Copyright Entries, Part 1, Group 1, containing the titles for books, was formerly printed three times a week. It is now printed monthly with entries arranged alphabetically by authors, or, if anonymous, by title. An asterisk (*) after the author's name indicates that the author and copyright proprietor are the same. When the author and copyright proprietor are different, a separate statement is made at the end of the title, giving the proprietor and his address. This group contains mainly the titles of books including the titles of books registered under the act of March 4, 1909, for ad interim protection. A complete index to all the authors, copyright proprietors, and anonymous titles of books for the entire year is printed as promptly as possible after the books for the year have been received.

Under the act of March 4, 1909, in effect from July 1, 1909, the preliminary entry of titles has been abrogated and registration follows deposit of copies with an application for entry in the Copyright Office.

A list of copyright renewals made for books under section 23 of the act of March 4, 1909, will be found at the end of this issue immediately following the text.

The Catalog of Copyright Entries, Part 1, Group 2 (monthly) contains mainly the titles of pamphlets, leaflets, and literary contributions to periodicals, and all other productions registered under the legal designation "book" not found in Group 1, including also, however, preliminary reports of court decisions, local directories, herdbooks, and other annuals, etc. Group 2 also contains in two separate alphabets the titles for the entries made for Lectures, sermons, and addresses prepared for oral delivery, and Maps.

The act of March 4, 1909, in effect from July 1, 1909, provides that the Catalog of Copyright Entries "shall be admitted in any court as prima facie evidence of the facts stated therein as regards any copyright registration". To save space in the Catalog the copyright notice after each title is abbreviated. The abbreviations used in this part are as follows: "A," Class A, Books; "A—Foreign," Foreign books in foreign languages. "©" stands for copyright registration, followed by date of publication, and "2 c." for 2 copies, or "1 c." for 1 copy, followed by date of receipt; "aff." stands for affidavit of American manufacture, followed by date of its receipt. "A ad int." implies ad interim copyright registration under the act of March 4, 1909, of a book published abroad in the English language, for which the deposit of only one copy is required.

The annual subscription price for the Catalog of Copyright Entries (received only for the calendar year) for Part 1, Group 1, is $3.00 for 1938, payable in advance to the Superintendent of Documents, Washington, D. C., by postal money order, express order, or New York draft.

Under the provisions of the act of Congress approved May 23, 1928, the prices of the various parts of the Catalog are now as follows:

Part 1, Group 1, Books proper	$3.00
Part 1, Group 2, Pamphlets, Contributions to Newspapers or Periodicals, Lectures and Maps	3.00
Part 1, Group 3, Dramatic Compositions and Motion Pictures	2.00
Part 2, Periodicals	2.00
Part 3, Musical Compositions	3.00
Part 4, Works of Art, Photographs, Prints, and Pictorial Illustrations	2.00
Single numbers	.50
Annual indexes, each, for complete calendar year	2.00
All parts for complete calendar year	10.00

VOLUME INDEX

FOR THE YEAR 1938

Published by authority of the Acts of Congress of March 3, 1891
of June 30, 1906, and of March 4, 1909

UNITED STATES
GOVERNMENT PRINTING OFFICE
WASHINGTON: 1939

The Catalog of Copyright Entries, Part 1, Group 1, containing the titles for books, was formerly printed three times a week. It is now printed monthly with entries arranged alphabetically by authors, or, if anonymous, by title. An asterisk (*) after the author's name indicates that the author and copyright proprietor are the same. When the author and copyright proprietor are different, a separate statement is made at the end of the title, giving the proprietor and his address. This group contains mainly the titles of books including the titles of books registered under the act of March 4, 1909, for ad interim protection. A complete index to all the authors, copyright proprietors, and anonymous titles of books for the entire year is printed as promptly as possible after the books for the year have been received.

Under the act of March 4, 1909, in effect from July 1, 1909, the preliminary entry of titles has been abrogated and registration follows deposit of copies with an application for entry in the Copyright Office.

A list of copyright renewals made for books under section 23 of the act of March 4, 1909, will be found at the end of each monthly issue immediately following the text.

The Catalog of Copyright Entries, Part 1, Group 2 (monthly) contains mainly the titles of pamphlets, leaflets, and literary contributions to periodicals, and all other productions registered under the legal designation "book" not found in Group 1, including also, however, preliminary reports of court decisions, local directories, herdbooks, and other annuals, etc. Group 2 also contains in two separate alphabets the titles for the entries made for Lectures, sermons, and addresses prepared for oral delivery, and Maps.

The act of March 4, 1909, in effect from July 1, 1909, provides that the Catalog of Copyright Entries "shall be admitted in any court as prima facie evidence of the facts stated therein as regards any copyright registration". To save space in the Catalog the copyright notice after each title is abbreviated. The abbreviations used in this part are as follows: "A," Class A, Books; "A—Foreign," Foreign books in foreign languages. "©" stands for copyright registration, followed by date of publication, and "2 c." for 2 copies, or "1 c." for 1 copy, followed by date of receipt; "aff." stands for affidavit of American manufacture, followed by date of its receipt. "A ad int." implies ad interim copyright registration under the act of March 4, 1909, of a book published abroad in the English language, for which the deposit of only one copy is required.

The annual subscription price for the Catalog of Copyright Entries (received only for the calendar year) for Part 1, Group 1, is $3.00 for 1938, payable in advance to the Superintendent of Documents, Washington, D. C., by postal money order, express order, or New York draft.

Under the provisions of the act of Congress approved May 23, 1928, the prices of the various parts of the Catalog are now as follows:

Part 1, Group 1, Books proper	$3. 00
Part 1, Group 2, Pamphlets, Contributions to Newspapers or Periodicals, Lectures and Maps	3. 00
Part 1, Group 3, Dramatic Compositions and Motion Pictures	2. 00

Part 3, Musical Compositions	3. 00
Part 4, Works of Art, Photographs, Prints, and Pictorial Illustrations	2. 00
Single numbers	. 50

All parts for complete calendar year	10. 00
